The Contractor shall be paid for the actual quantity of work done, as measured at site according to the method of measurements given in Technical Specifications as well as IS 1200, at the rates quoted by him in the Contract Bills / Schedule of Quantities.

### **4. Schedule of Quantities**

The schedule of quantities given in the contract bill is provisional and is meant to indicate the intent of the work and to provide a uniform basis for tendering. The Owner reserves the right to increase or decrease any of the quantities or to totally omit any item of work and the Contractor shall not claim any extras or damages on these grounds.

Any error in description or in quantity or omission of items from the Contract Bill shall not vitiate this Contract but shall be treated as a variation in the quantity.

## 5. Bonds/ Securities

- 5.1 **Indemnity Bond:** On the acceptance of his tender, the contractor will be required to execute an indemnity bond in favour of the Employer against third party claims, civil or criminal complaints, site mishaps and other accidents or disputes, against any damages, loss or expenses due to or resulting from any negligence or breach of duty on the part of the contractor, his sub-contractor or his employees and agents etc. as per the appropriate indemnity Bond approved by the Employer / Architect.
- 5.2 **Performance Security:** The successful bidder shall, within 03 days of receipt of the Letter of Acceptance, issue to the Employer the Performance Security in an amount mentioned in Contract Data. Failure of the successful bidder to lodge the Performance Security as above may result in cancellation of the award and forfeiture of the bid security. The EMD will not be refunded without the receipt of the Performance Security. In the event of the actual contract value exceeding the quoted value, the Contractor shall furnish, to The Client, the additional Performance Security for the actual difference in contract value.
- 5.3 **Release of Performance Security:** 50% of performance security will be released on issuance of virtual completion certificate. Next 25% of the performance security will be released after completion of 50% of defects liability period (DLP). Remaining 25% of performance security will be released on completion of defects liability period (DLP).

## 7. SPECIAL CONDITIONS OF CONTRACT

**Note: The Special Conditions shall supersede the Technical Specifications as well as General Conditions of the Contract.**

### **Power and Water for Construction**

#### **Water for Construction**

**The Contractor shall make their own arrangement and pay for Construction water**, the Contractor shall pay for all fees in connection with such services and shall pay the supply authority for all water used prior to the completion of the Work. The Contractor shall also provide any temporary service piping and taps as required for his use on the work, and remove the same on completion. If the Contractor proposes to make his own arrangements for the supply of water other than from the supply authority, he shall furnish at his cost the water analysis to the Architect for approval before use in the building work.

The quality of water shall be got tested and approved by Architect from time to time. The Contractor will construct water tank of adequate capacity at his own cost to ensure that sufficient water is available at site and that work is not hampered on his account.

#### **Power for Construction**

**The Contractor shall arrange for power for construction and temporary office / works at his own cost and nothing extra shall be payable on this account.**

Necessary cooperation interim of land, ownership etc. may be extended by owner/ Architect. Contractor is also required to make standby / alternate arrangement for power supply at his cost. The contractor will not have any claim on account of failure of power supply either financially or in terms of completion period commitments.

#### **Water and Electrical Connection for Contractors of Other Trade**

**For water and electricity, the Contractors for other trades directly appointed by The Client shall be entitled to take connections from the temporary water and electric supply connection obtained by the Contractor at his cost.** Such Contractors [directly appointed by Client] shall install a sub-meter for measuring electric / water consumption

at their own cost and maintain the wiring / installation in good condition as per the local rules and reimburse the actual consumption charges directly to the Contractor at mutually agreed rates between them. In case of any disagreement, the reimbursement charges shall be decided by the Architect, whose decision shall be final and without appeal.

**Prices not to change**

The price quoted by the contractor shall not be subjected to any change due to increase or decrease in cost of materials and labor or due to any reasons whatsoever.

**Tender Rates and Prices all Inclusive**

Notwithstanding anything contained elsewhere in any of the clauses of the tender, the prices/rates quoted for each item/work in the Bills of Quantities shall be inclusive of all direct and indirect costs, duties, taxes, Sales tax, VAT, Service tax, consignment tax, octroi / local tax etc. on any of inputs, royalty on quarried items etc. that may be involved in completing the item/work as required in the fulfillment of all obligations under the contract and to the satisfaction of the Architect. Only GST will be applicable as extra on the total project cost.

Sales Tax/ Works Contract Tax/ VAT shall be borne by the Contractor but The Client has the right to deduct equivalent amount from running bill of Contractor and deposit the same directly with competent authority. The Contractor shall get himself enlisted in Sales Tax Department. If The Client does not deduct the tax, as mentioned herein above, it shall be the duty of the Contractor to pay the same to the competent Authority and indemnify The Client.

The Client has further right to deduct any and all of the Taxes deductible at source, including surcharge, if any and deposit the same with the competent Authority.

Any increase in taxes or new taxes if imposed after submission of tender shall be considered for reimbursement. On the same account, any reduction in VAT & Services Taxes will result in adjustment of the tender price accordingly.

**Income Tax deduction at Source**

As per the statutory rules, Income Tax shall be deducted at source by The Client from Contractors bills and the certificate to that will be given by The Client.

If there is a statutory requirement for deduction of Works Contract Tax or any other tax at source, then such requirement shall be followed and the tax deducted at source (TDS) will be deposited with the authority and certificate to this will be issued to contractor in an approved format.

**No Compensation for Additions / Alterations of work to be carried out**

The contractor shall quote on the basis of Bill of Quantities. The drawings attached with the tender & forming part of this contract may be subject to additions & alterations to suit the requirements of the Owner for which no extra claim shall be entertained.

**Extra Items**

“Extra Item” is defined as any item for which the rate is not available in the Quoted Bill of Quantities. As soon as there is a need for the contractor to install any such item, the contractor shall immediately notify the Architect and seek his permission, in writing, to carry this item.

For arriving at rates for non tender items following procedure will be followed:

1. For analogues items rate will be derived from related tender items.
2. For new items, rates will be worked out on the basis of reasonable cost of material (+) Reasonable cost of labor (+) 20% margin towards Contractor’s supervision, overhead and profits (+) GST. Architect’s decision in this respect shall be final and binding.
3. For completely subcontracted items a margin of 20% will be allowed on subcontracted value towards overhead and profit where the same has been approved by Owner / Architect. For all such items the contractor shall take prior permission of Architect / Owner before commencing execution.

**Children not allowed**

Labourers accompanied by child / children will not be allowed to work. The contractor shall provide a Crèche for the children of the labourers for the entire duration of the project.

### **Security at Site**

Contractor to provide for his own security agency at site.

### **Right to Terminate Contract**

If the contractor fails to keep the construction schedule decided at the time of start of work, the owner shall have the right to terminate his contract or allow part of the scope of work to be given to other contractor.

### **Work at Night**

All work at night shall be carried out without unreasonable noise and disturbance. The contractor shall indemnify the Employer from and against any liability for damages on account of noise or other disturbance created while or in carrying out the work and from and against all claims, demands, proceedings, costs, charges and expenses whatsoever in regard or in relation to such liability.

No work shall be done at night unless approved by the client in writing. Contractor's employees will not be allowed to work on energized circuits at night unless special permission to the contrary has been obtained from the client.

### **Abnormal Rates**

If it is found that the rates quoted by the contractor are unusually high and abnormal, then the Architect reserves the right to negotiate the rates or reject the tender if the contractor refuses to give detailed explanation and/ or Rate Analysis of such item.

### **Responsibility of Contractor for Quality Control**

It shall be the sole responsibility of the contractor to provide standard and good materials and execute the work strictly in accordance with drawings, design and specifications. If as a result of the judgment of consumer protection cell, it is proved that the defect in the buildings are due to sub-standard materials, not as per design

specifications, negligent supervision, the entire expenditure of setting right the defects including the cost incurred by the Client for settlement of those cases of consumer protection cell shall be deducted from any payment due to the contractor or shall be reimbursed to the owner by the contractor.
