Sub: Complaint dated March 31, 2021 Against Mumbai Cricket Association

Hon'ble Madam

I refer to the Complaint filed by me before you on March 31, 2020.

I wish to inform you that subsequent to the said complaint, I had also filed Writ Petition (L.) No. 12623 of 2021 in the Hon'ble Bombay High Court in respect of the illegal manner in which the tender process is undertaken by the MCA. The said Writ Petition was subsequently withdrawn by me, with liberty to take up a challenge inter alia based on the objections raised in the said Petition, *if and when any tender is accepted by the MCA* and the contract is awarded to the concerned bidder.

On my instructions, Counsel appearing on my behalf also informed the Hon'ble Court that the complaint filed by me before you would also be withdrawn, with liberty. The Hon'ble Court, by order dated 24th June, 2021, permitted me to withdraw the Petition with liberty as prayed for and also permitted me to withdraw the complaint filed before you. I was also given the liberty to agitate my grievances in a new complaint or proceeding inter alia covering the subject matter of my complaint. A copy of the said order dated 24th June, 2021 is attached to ~~this~~ email.

In view of the aforesaid, I hereby withdraw my complaint filed before you, with liberty to agitate my grievances at a later stage, as permitted by the Hon'ble High Court.

Yours faithfully,

Ravindra Mandrekar
