Dear Madam/ Sirs,

In terms of the Hon'ble Supreme Court's judgment dated 9th August 2018 ("**Judgment**"), the Committee of Administrators has filed its Tenth Status Report dated 28th October 2018 with reference to the compliance undertaken by the State Associations and seeking certain directions including that a direction to each of the Substantially Compliant State Associations in Category C (as mentioned in the Tenth Status Report) to further amend their respective new constitutions to carry out such corrective amendments as are communicated to them by the Committee of Administrators.

Your association is one of the 17 Substantially Compliant State Associations in Category C as per the Tenth Status Report. Accordingly, attached are the corrective amendments that need to be carried out in the amended constitution of your association.

Your attention is also drawn to the email dated 29th October 2018 addressed by the Committee of Administrators to all State Associations regarding membership structure. The Committee of Administrators is yet to receive a response from your association to the said email. While the issue of granting automatic membership to former international cricketers (men and women) is addressed in the attached corrective amendments, further corrective amendments may be identified after considering your response (once received) on the issue of how your association has divorced/ separated the membership of any social club that is part of your association from the administration of cricket. Accordingly, kindly respond to the said email at the earliest in order for the Committee of Administrators to ascertain what (if any) further corrective amendments may be required in your constitution.

The Committee of Administrators trusts that your association will take necessary steps to become fully compliant with the Judgment at the earliest.

Thanking you.

Yours faithfully,
The Supreme Court Appointed Committee of Administrators
